

CSF

2 seats

This year we have two seats in the Student Council. Our number of seats has doubled and we are very thankful for that!

Student Council 2017-2018

Together with our colleagues from VeSte (7 seats) and S&I (3 seats), we represent the Student Council.

Important subjects

This year CSF will focus on the strategic plan for 2019-2022, as well as the implementation of the English bachelors and the extended daytime schedule. Besides this we will also look at the implementation of the new government coalition.

What did we do so far?

In these first weeks, we learnt a lot about current affairs at the WUR. Besides, we had 'meet and greet' events with different departments of the WUR, where we met many new people. Last but not least, we also had a tasty paella dinner with the rector magnificus.

Meetings all day

Everyday, we have several meetings with different committees and university staff. We try to give our input from a critical and constructive viewpoint.

Coffee!

Long office days require lots of coffee. If you want to share an idea with us, you are always welcome in Forum 014 to drink a cup of coffee with us!

Contact

If you can't come by at the office you can always contact us via other ways.
