

## **New Logo!**

CSF has a new logo!! We decided to change it to better communicate the differences between the different parties in the Student Council.

## **Strategic Plan**

Together with the university we are also thinking about the new Strategic Plan. What is the best way to advance for Wageningen University? Promote excellence or keep growing? What do you think?

## **Travel Policy**

As SC we also looked at the new Travel Policy and helped the university to improve it. Among other things we made sure that there is still a possibility for students to follow their minor in a yellow coded country.

## **Ugly Christmas Sweater Day**

On the 6th of December was the Ugly Christmas Sweater contest of the SC. Lot's of people came by and took a nice picture! If you want to see the pictures, they are all on the Student Council facebook.

## **Network Dinner**

As CSF we also organized a network dinner with Christian organizations within Wageningen. It was nice to see that many organizations have great ideas for students!

## **Almost Christmas!**

The Christmas holiday is already very soon, we wish you the best of luck if you still have exams! We hope you have a nice holiday with friends & family and of course a lovely Christmas!

## **Contact**

Feel free come by at our office (forum 014) or to contact us via other ways.

## **What is CSF?**

CSF is one of three parties in the Student Council of Wageningen University and Research. CSF tries to use Christian norms and values to look at policy. Our core values are responsibility, integrity, equality and sustainability.
